Dear Mr Edwards

LANGUAGE SERVICES

Thank you for your letter of 8 June 2015 to the Minister regarding the second generation language service contract. I have been asked to reply.

As per previous correspondence with your colleague Dan Sumners, to which your letter refers, we are currently in the process of considering all relevant information with regards to the provision of language services across the MoJ.

Definitive decisions on the detail of the next contract have yet to be taken. Therefore at this stage, I am unable to specifically confirm the continuation of the requirement for NRCPD registration. However, the Ministry remains fully committed to ensuring the standards of interpreting in supporting individuals during court proceedings, whilst providing a sustainable service that delivers value for money to the taxpayer.

Yours sincerely
