Subject: Re: NRCPD

Hello Angela

This is further to our previous emails regarding a category for CSWs in the NRCPD. I hope that the subject can be discussed in the March meeting of the NRCPD. To that end I attach a proposal document, to be circulated to those concerned. Please do not hesitate to ask for clarification on any points in the document prior to the meeting. I look forward to your response.

With all best wishes,

Andy Owen
