Dear Graham

Thank you very much for your letter of 1 March 2012. You raise as an issue a situation of which NRCPD board members are acutely aware and therefore I took the opportunity to discuss your letter with them. The suggestion you make clearly offers the potential to provide a solution to a long-standing issue and point of tension between the registration system SASLI offers in Scotland and that which we apply across the UK.

I have the authority of my board to explore fully with you and other stakeholders the potential for this opportunity to provide a solution. I welcome the opportunity to initiate that process and look forward to detailed discussions on the issue.

I would be grateful for an indication of your availability for a telephone conversation to discuss dates and format of the meeting.

With best regards

Paul Parsons
Director
