Dear Alan

Thank you for your letter dated 11 September 2012, and for giving the Board an update on your organisation and its activities.

In my letter of 5 April 2012 I clearly set out the reasons for introducing a formal annual revalidation scheme, which can only strengthen the professional status of your members. I do therefore welcome your intention to progress this debate and look forward to receiving from you the new information you promise and seeing your proposal set out on paper.

Yours sincerely
